**SOLUTIONS FOR  
ROAD, AIR  
AND RAIL**

From road or rail, full or less-than truckload, we deliver your cargo faster, with fewer claims and lower costs.

### ***The TRAFFIX difference***

Our team operates around the clock, 24/7, ensuring that your cargo is delivered on time. We are connected to a seamless network of thousands of independent carriers, multiple class-I railroads and airlines.

### ***Efficient and fully integrated***

Our fleet of over 400 pieces of equipment is interconnected with a network of partner carriers, ensuring seamless coverage across North America. This allows TRAFFIX to offer a superior level of service based on our customer's specific needs.

### ***Protecting your cargo***

To ensure your cargo is safe, our process is RMIS integrated and tracked by CargoNet. Each of our partner carriers goes through a tiered vetting process, regular compliance audits, and is subject to our multi-layered security approach. All high value and high risk cargo follows a deep and strict SOP, and every piece of cargo in our network is backed by \$500,000 in contingent insurance.
